## Engine Option

|                             |         |           |
|-----------------------------|---------|-----------|
| 2 Mercury Verado V10 400 hp | approx. | 42 knots* |
|-----------------------------|---------|-----------|

\*Max. outboard horse power: 2x 400 hp, max. speed allowed: 45 knots - Cat D sea state . These figures cannot be guaranteed as top speed in particular is affected by the cleanliness of the hull, conditions of the propellers, weight carried and air/sea temperature. Performance is related also to the optional accessories selected. "TBC" stays for: To Be Confirmed. FJORD reserves the right to change specifications in line with the company policy of improvement through research and development. All measurements/figures approximate. Errors and omissions are excepted. Specification and material can be changed without notice. Please check with your dealer for a full list of inclusions. Valid from 2024.07.01 for deliveries until 2025.06.30.
